STEPHANIE TRIPP

I just moved into my new apartment. My favorite room is the living room because I got this new black leather sofa. And I think it's a great place to have sex because after you're done, you can kick back and watch some television. I broke in this sofa the day I moved in. I got it on with my new man as soon as the movers left. He climaxed within ten minutes as I sucked his cock dry. Then I poured champagne down my naked body as he was licking my pussy. Now that was hot!

INTIMATE THOUGHTS AND XXX ADVICE

FROM TEXT'D TO SEX'D

Dear Reader – One of our readers sent this story in with the hope we would publish it. After some deliberation, we decided to do just that for those of you who have had no luck, or great luck, in dealing with hook ups. He just wanted us to know that they are not all bad. – Editors

I'm at my desk and get a text message on my cell. "Justin, how are you doing? :)" Could it be an ex co-worker for a year or so ago? Yes, it was Leslie. "Pretty good." I responded. Over the next hour or so we exchanged stories about what we are doing now and what we have done since we last worked together. She had started at a new company and I was still at the same. After a few minutes, she ends the texting and says she's gotta go. 'Okay.' sez I.

After about a week and several messages and emails later, things are getting very suggestive. We arrange to meet up for a few drinks on Friday after work. I was getting a good feeling about this, I thought to myself. Friday comes around and I find myself sitting at the bar waiting for her and talking to the bar tender. Suddenly, I sense a hand slip into my back pocket. I grab it, at first thinking someone is trying to take my wallet. There she is, cheeky smile, dolled up to the nines. A hug, a kiss and off to a more comfortable seat to spend the next few hours chatting, flirting and drinking.

I order one more round as the bell for last call rings, but she butts in and orders two more tequilas as well. "I shouldn't, I've got work in the morning." I say, knowing perfectly well that probably wouldn't stop us downing them. My work in the morning was a flimsy excuse that didn't seem to work.

As the bar is closing, I grab my coat and offer to walk her home. In a flash she is up, ready to go, her hand once again in my back pocket. The many drinks seem to have had their full affect as she squeezed and held my ass cheek nearly all the way home. At the front door, we stop and she pulls her hand from my back pocket. She steps back, looks me in the eyes and asks if I have a condom on me. I'm shocked, but not surprised. I say that it's not my habit to carry one. She winks and says it's okay says with one of those smiles you never get sick of. She opens the door and as we stumble into the living room. Then she pushes me onto the couch. As I lay there, I see her remove her bra exposing a nice pair of lady lumps just for me. She comes closer and

I sit up on the edge of the couch as she faces me getting on her knees. I guide her mouth to my cock as she swallows it all on all fours. I reach back and slip my middle finger in her ass.

turns around, bending over slightly to peel away her thong. I'm getting as hard as a rock as I grab her by the hips and bury my face between those cheeks. As she wiggles, I grab the thong and gently pull it down her thighs, and I'm ready as I can be.

I plop down on the couch, taking my shirt off as I do. I undo my belt and pant button. She unzips my fly and pulls my pants and boxers off. Then, I sit back and remove she goes down on me scratching me playfully with her nails and teeth as she does. As she sucks my dick slowly, she quickly attempts to deep throat it. A little help from my hand on the back of her head helped. She managed several balls deep gulps of cock before deciding that breathing was more important. I couldn't disagree.

Leslie reaches into a side table drawer and pulls out a condom, somehow opens it and manages to roll it down my cock like an expert. She stands up, turns around, and squats so my cock is pressed against

her clit. She teases me with a few short squats as my cock head nearly goes in each time. Enough! I take over and grab her by the hip and pushed her down on me. As she takes my cock deep the moaning and the rocking begin. I throw my head back and close my eyes, enjoying every moment. When I open them, she has her middle finger almost knuckle deep in her asshole. I feel like a guy who's hit the jackpot !

Suddenly Leslie stands up. I sit up on the edge of the couch as she faces me getting on her knees. I guide her mouth to my cock as she swallows it all on all fours. I reach back and slip my middle finger in her ass. She moans deeply, urging me to go on. I then press two in. Her ass is as hot as hell and I'm loving it. She gasps for air again and says "I've never done this, but you think your cock would fit in there?" I tell her that I'm sure that it would, and if she's really never done it, she'll have to learn how to relax her anus for it to feel good.

I ease her off me and onto her back on the couch. She grabs her thighs and pulls them in and apart. I kneel in, licking her clit as I stroke my cock to make sure the rubber is on tight. She moans as I slip my fingers in again and then out again. I ask her if she thinks she's ready for my cock, withdraw my fingers and press it against her little brown star. She winces in excitement as I push the well lubed head in very slowly. And just then I feel her tight ring pop loose and engulf the whole tip of my cock at once.

Her screams turn back into moans as her anus loosens up. Slowly I push in deeper with every thrust. Her butt is so tight and it's pushing me to my edge. I don't know how much longer I can last, but after only a few minutes, I surely hope it's for awhile longer. Leslie cums eventually – and just in time. I withdraw for her ass and I whip off the rubber and cum all over her ass, aiming into her just-fucked hole, of course. She reaches back and smears it across her ass cheeks and takes a taste of it with a finger, pushing some of my cum into her ass. She looks up at me and grabs my cock and sucks it dry.

This must have been one of the hottest sex experiences I ever had because a half hour later, I'm still pretty hard. She sees this and apparently, can't help herself because she's down on me again, and a minute later I'm full erect once again. I'm on my back on the couch, one leg on the top and the other on the floor giving her full access, and I love it. She sucks me in taking in the musky smell of sex earlier. This time, I do not hold back and as she looks up at me between my legs, I cum again fully in her mouth and she swallows all of what I give her.

A few minutes later she's off to her bathroom for a quick shower. I close my eyes and stay on the couch feeling my body coming down even more. She's come downstairs still wet in her bathrobe and comes over to me, grabs my cock and looks down at me. Through my grogginess I hear her ask if I can make it back again next week. I mustered up a grin and saw that sweet smile that got me earlier. I immediately said I would look forward to it.

At work, I was a lump, sitting there not getting a damn thing done. All I could think about was Leslie and how amazing our sex sessions had become. We carried on for several months and finally decided to cut it off. Apparently she found a new dude, but that was okay by me. No, it really wasn't, but what could I do except thank her for the memories.

A full-page photograph of Stormy Daniels posing nude. She is lying down, propped up on her left arm, with her right hand resting on her head. She has long, voluminous, wavy blonde hair and is wearing a black leather glove on her right hand. She is looking directly at the camera with a slight smile. The background is a dark, textured surface with ornate, carved details.

STORMY

She's one that can't stay out of the news and out of our pages. You know you just can't get enough of her. And we deliver. Think what you will, but look at her. How can you not want to suck on the nipples, your head pillowed on her womanly mounds. And then, there's that perfectly coiffed pussy topping a willing passion for cock.

JADA STEVENS

Jada Stevens has one of the biggest, broadest, most delicious buttocks in the adult entertainment industry, and she's not afraid to work that ass! "Guys have been grabbing my butt since I don't know when. I knew it was a money-maker," Jada says, showing off her fleshy ass cheeks and luscious titties. "As soon as I started having anal sex, I knew I had found my professional calling." We felt the same way the first time we were arrested for public lewdness, Jada. Bottoms up!

OFFICE RENDEZVOUS

I'm working part time at a savings and loan. One night I was cleaning the office as normal when I hear someone downstairs, so I went down to see what was going on. To my surprise, there was the manager Tara laying on the couch naked, sliding a dildo in and out of pussy. Tara is a good looking woman – early forties, nice 36 D boobs, a little chunky, but very sext in an office sort of way. She was oblivious to me watching her. I stood there several minutes, my cock stiffening. Tara noticed me, said why don't I come here. I didn't think twice, come over to her. She sat up and undid my pants and slid them down taking my cock in her mouth sucking on it making harder.

Tara laid back on the couch legs wide open and in a second I was naked and between her legs and slid my cock into her until all of it was up her hot wet pussy. I plunged in and out of her, banging my balls against her soft ass cheeks. Tara wrapped her legs around me and was bucking against me as she was cumming. I was inside her, banging her until I shot my load of juice up her fucking soaking wet pussy until I went limp. After catching our breath, we both got dressed, she went home and I finished cleaning the office.

Everything went on as usual for about a week. Tara was working late one evening and she was wondering if I eat pussy as good as I fuck. She wants to find out. I said, well there is only one way to find out. Tara did not mince

words. She said I will be off tomorrow, come over to my home after 9am. She gave me her address. The next morning I was with her in the bedroom. Both of us naked.

I went down and ate pussy, nice and plump and pink, licking and sucking her clit over and over until she was cumming. I slid my tongue in her pussy and Tara was moaning and pushing pussy against my mouth. She let out a moan and fuck me. I was more than happy to do so, taking her legs over my shoulders and shoved my cock deep into her, fucking her, pounding her, her tits bouncing, her pussy tightened around my cock as she was cumming again and she said don't stop. I did not until I exploded and filled her pussy with my cum and went limp. Tara still wanted to fuck. She sucked my cock hard again and then moved over me and straddled me one last time and we fucked until we both came again.

I had to go. I showered and dressed. Tara put a robe on. Before I left, she said she wanted to meet once a week. We made arrangements. That is why I have always loved sex with an older woman. They know what they want.

– Mitchell, Boulder, CO

THE NEXT MORNING I WAS WITH HER IN HER BEDROOM. BOTH OF US NAKED.

ANAL CHERRY POPPIN'

I'm a 24 year old male and I been sleeping with my 38 year old neighbor. This been going on for about two years now, her name is Taylor, she's good in bed and satisfies me to the bone. It started off one night when she allowed me in her room and I locked her door behind me. She had been wearing on opened nightgown with her big boobs exposed

and only panties underneath.

As I talked to her, I placed my hands on her shoulders attempting to give her a massage. She let me put my hands on her body as I worked my way below, massaging her back then her waist. I gently put my hands on her full boobs caressing them, moulding them, and fondling her body. By then she became putty in my hands and her body was mine. I had her legs over my shoulders as I seduced her the entire night. I tongued her simultaneously as I had my hands all over her body. As I had her legs over my shoulders, my thrusting her in motion, there were knuckles cracklings from her legs, and joint cracklings from her legs too.

As I fucked her, I had her stretched out in the wishbone, as I was between her legs the whole night. The bed rocked back and forth, pounding loud and her loud moanings were the only sounds in the house. I must have knocked her socks off when I had anal sex with her, because she became very quiet for a moment. I put my dick in her ass, stuck it in, I stared at her and Taylor had her mouth open and her eyes were rolling inside out. She was telling me to leave it in there because it felt so good. She said that I popped her anal cherry, and till this day we still have sex as manic as that first day.

I love her and she loves the sex more and more. But every time we have anal sex, I stick my dick up her ass she's in paradise and lays there with her mouth open and her eyes rolled inside out but tends to doze off because my dick is inside her for a very long time. She tells me it feels so good, she can fall asleep during intercourse. We have the best sex possible, she is so addicted to me and never wants me to go. I try not to go, but I always try to come.

— Ron, Mobile, AL

SHE THEN GENTLY PUSHED JESSE ONTO THE TABLE AND GRABBED HER KNEES TO SPREAD THEM.

POKER STRIPPING

Last year my wife and I were vacationing in the Bahamas. I'm a pro ball player and she is an entrepreneur. We were out to dinner with some old friends and after several bottles of wine we were all feeling a little tipsy and a little friendly. Kelley and Paulie were friends of ours in Atlanta. We went back to play cards as usual, but this time Paulie suggests we play poker. We said fine and he broke out some more drinks with the cards. We played a couple hands and my wife, Jesse, won both of them. Then Kelley suggests we play strip pok-

er. Jesse and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands, she felt quite confident.

I knew Paulie had eyes for Jesse, and I kinda had a hard-on for years for Kelley, so I was all for it. Kelley dealt the first hand and Jesse won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and we were all down to our civvies. I had a T-shirt and boxers, Jesse was in her bra and panties, Paulie was just in boxers and Kelley was in a red teddy. It was now my deal. We were

drinking and laughing as the bets were made. Paulie won and I dropped my shirt, Jesse her top, and Kelley stood up and started a little dance as she began to undo the laces of her teddy. All of a sudden Jesse got up and started to help her. She reached down between Kelley's legs and undid the snaps. Then pulled the teddy up and off of Kelley. As Paulie and I looked on, they started kissing each other and Kelley reached around and undid Jesse's bra and then pulled down her panties, throwing them to Paulie. She then gently pushed Jesse onto the table and grabbed her knees to spread them. She lowers her head into Jesse's crotch and begins to lick her. All three of us watch as Kelley licks and sticks her fingers inside my wife's pussy.

As I get up first and position myself behind Kelley. I drop my drawers and slip my cock inside her as she continues to lick Jesse. Paulie saunters over beside Jesse and offers his hard

dick to her mouth. She obliges and grabs his ass to pull him closer to her. Kelley then stands up and pulls me out. She seats herself on the poker table and motions me to continue fucking her as she opens her legs and gets into position for my cock. He takes advantage of the change and moves around between Jesse's legs and begins to lick her. I watch as he sucks my wife and as I fuck his.

Jesse tells him to get up and lay down on the table. He does and she proceeds to rub him back to hard-on status. Her mouth works hard on his cock and he's finally hard again. I'm still fucking Kelley and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the table. Jesse brings Paulie to climax taking his jizz in her mouth and then spitting it into a wine glass.

It seems that both of our friends have cum so Jesse and I are left to finish off

ourselves, but she says she's still real horny and wants to finish back in the bedroom. She grabs me by my stiffie and pulls me to the bed. She sits on the bed and pulls my cock into her mouth. She works it like a pro and then leans back and guides it into her moist pussy. I can't resist banging her as hard as I can.

In the morning we called our friends to see how they are. Kelley says they are both fine and had a great time last night. We agreed and said that we should do it again next time. They said the invitation is always open.

JOEY & KINZIE KENNER

This shoot was one of the most fun and sexiest we've ever done. We didn't know at first if we even wanted to do it but we talked about it and decided to go for it. It was amazing to be with four guys and have them fuck our super-sweet, super tight, super hot young pussies. This was the first cock-sucking, pussy-fucking, cum-eating party we've ever been in, and you get to watch. We're really glad we invited a good photographer.
